

AppDev: DRF Backend Submission

1. Backend Repository URL (Branch: submission-final)

<https://github.com/rodriguezkylejohndel1564-coder/backend---DRF/tree/submission-final>

2. Sample API Request/Response (HTTPIe Results)

```
# Getting Water Level Data
HTTP/1.1 200 OK
[
  {
    "id": 1,
    "locationName": "Cagayan De Oro River",
    "currentLevel": "8.00",
    "maxLevel": "10.00",
    "status": "Danger",
    "trend": "Rising",
    "lastUpdated": "2026-04-13T01:59:13Z"
  },
  {
    "id": 2,
    "locationName": "Bigaan River",
    "currentLevel": "4.10",
    "maxLevel": "8.00",
    "status": "Normal",
    "trend": "Steady",
    "lastUpdated": "2026-04-13T01:59:13Z"
  }
]

# Registering a New User
HTTP/1.1 200 OK
{
  "token": "e6b81a2ce27dc5b4931a67926139486c9d...",
  "user": {
    "email": "tester@example.com",
    "id": 16,
    "username": "tester_appdev"
  }
}
```

3. API Implementation Screenshots

AppDev: DRF Backend Submission

Django REST framework

admin

Api Root

Api Root

OPTIONSGET

The default basic root view for DefaultRouter

GET /api/

HTTP 200 OK

Allow: GET, HEAD, OPTIONS

Content-Type: application/json

Vary: Accept

```
{
  "products": "http://127.0.0.1:8000/api/products/",
  "alerts": "http://127.0.0.1:8000/api/alerts/",
  "water-levels": "http://127.0.0.1:8000/api/water-levels/",
  "reports": "http://127.0.0.1:8000/api/reports/"
}
```

4. Real-time Monitoring Data Output

Django REST framework

admin

Api Root / Water Level List

Water Level List

OPTIONSGET

GET /api/water-levels/

HTTP 200 OK
Allow: GET, POST, HEAD, OPTIONS
Content-Type: application/json
Vary: Accept

```
[
  {
    "id": 1,
    "locationName": "Cagayan De Oro River",
    "currentLevel": "8.00",
    "maxLevel": "10.00",
    "status": "Danger",
    "trend": "Rising",
    "lastUpdated": "2026-04-12T18:04:02.850883Z"
  },
  {
    "id": 2,
    "locationName": "Bigaan River",
    "currentLevel": "4.10",
    "maxLevel": "8.00",
    "status": "Normal",
    "trend": "Steady",
    "lastUpdated": "2026-04-12T18:04:02.854074Z"
  }
]
```
